**GiM d.o.o. je privatno preduzeće osnovano 1993. godine. Naziv preduzeća do 2011. godine je bio “Mermer Granit d.o.o.” i pod tim imenom je kreiran brend odgovornosti, pouzdanosti i visokog kvaliteta robe. Iz prvenstveno marketinških razloga, 2011. godine firma mijenja ime u “GiM d.o.o.” I nastavlja da posluje u istoj djelatnosti.**

**Danas, firma poseduje moderan proizvodni pogon koji ima mogućnost prerade preko 2500 m3 prirodnog kamena godišnje. U proizvodnji koristimo italijansku tehnologiju u svim procesima obrade kamena. Naše osnovne proizvodne djelatnosti su rezanje i poliranje kamena iz blokova u ploče. Materijal (blokove kamena) nabavljamo iz rudnika širom svijeta: Južna Afrika, Indija, Brazil, Norveška, Italija i Španija. Tokom posljednje dvije decenije poslovanja izgradili smo brojne poslovne veze sa firmama širom svijeta.**
